Pickup Window

Flexibility is the Key - 15 minutes before 15 minutes after

Please be ready 15 minutes before your scheduled pick up time as the vehicle has a 15-minute pick up window on either side of your scheduled time. Be prepared to leave when the vehicle arrives. Drivers are required to wait only five minutes upon arrival. If you have not boarded within the five minute arrival time, you will be assessed a no-show.

Remember that other riders will ride in the same vehicle with you, or the vehicle may be scheduled to pick up another passenger right after you reach your destination. Be sure to allow enough time when scheduling in the winter to allow for poor road conditions.
